## Research Finance Reminders

The research finance team would like to ensure that department PI's are aware of two important updates:

**Timesheet Approval for GSRs:**

Please be mindful that you might need to review and approve timesheets for the Graduate Student Researchers (GSRs). This is a crucial part of the administrative process, and your timely approval ensures that GSRs are compensated accurately.

**Stipends for Training Program Trainees:**

At the end of each month, trainees in our training programs will receive their stipends. If you are a trainee or if you have any questions regarding stipend payments, we kindly ask you to reach out to your PI or your fiscal officer for your program. We appreciate your attention to these important matters, and please do not hesitate to reach out to your fiscal officer if you require any clarification or further assistance.

# Reimbursements

Dear SCRC Staff & Students,

We would like to send a reminder regarding UCI travel policies to keep in mind if you plan on seeking reimbursement for your travels (ie. conferences and events). Please refer to the policies attached along with this memo for more detailed information.

- Airfare must be coach or economy class only
- Lodging maximum is \$333/night before taxes and fees – the maximum applies per room, not per person. Even if you share a room with another traveler, the room must cost no more than \$333/night.
- The maximum for meals & incidental expenses is \$92/day. The only instance in which you may pay for another person's meals is if you are hosting a business meeting over a meal. In this case, you must provide an attendee list and agenda, and the meal maximums listed here apply.
- In general, you may not pay for another person's expenses, however you may share a room, shuttles, taxis, etc. with another traveler. One person can pay for the room, taxi, etc. and request reimbursement.
- If you are including personal days on the trip (extending travel dates more than 24 hrs before or after the conference dates), you must provide a pre-trip airfare comparison quote that shows how much the flight would have cost without personal days. Reimbursement will be based on the lesser amount. Any expenses incurred during *personal travel* are not reimbursable.
- Keep all itemized receipts to submit with your reimbursement. Receipts must include proof of payment (ex. Paid with Visa XXXX); Please see the reference guide for supporting documentation for more info.
- *No exceptions* for receipts that are not itemized – bank account screenshots are acceptable as further backup to confirm amount totals such as tip ( in such instances where tip amount is not included on the receipts)
- Any mileage requests must include a screenshot of the route taken (gmaps, apple maps etc.) Mileage rate: \$0.70
- Reimbursement requests must be submitted within 45 days after the end of the trip.

Please review [UC travel policy highlights](#) before booking and feel free to reach out if you have any questions.

**REIMBURSEMENT FORMS:**

# Purchasing

## ULAR-Notes for Labs Purchasing

**1. Starting 1/13/25 All Veterinary Supply (ie. MWI or Patterson) orders will be completed through PO's requiring ULAR's approval.**

a. Why:

- i. This will allow ULAR to have oversight on all vet supply orders which may or may not need vet licenses
- ii. Orders that were placed by labs often ended up at ULAR's office leading to packages being misplaced as no PI or recognized names were listed.

iii. Invoices often went unpaid and were then sent to ULAR to handle

**2. Steps to Complete/Submit an order**

a. Complete the Vet Supplies Request form from ULAR

i. Add in PI Name and Aup Number in Notes Section at the bottom of the document

ii. Add in all necessary information required (highlighted boxes)

iii. Do not fill out the Requisition Number as the assigned purchaser will add that information when able

**3. Getting a Quote**

- a. To get a quote from MWI or Patterson please call the vendor
- b. You will be asked to provide an account number please use the following when applicable:
  - i. MWI – 250599
  - ii. Patterson – 200139396
- c. Confirm pricing details of your order and ask for a quote to be sent to your email or preferred method of contact.

#### 4. Submit order

- a. Once both the ULAR form and Quote are completed please send an order request to RT ([purchase@rt.stemcell.uci.edu](mailto:purchase@rt.stemcell.uci.edu))

#### 5. Pickup order from Ular

### STREAMLINED PURCHASING: REQUEST TRACKER (RT)

We have introduced a new ticketing system, utilizing Request Tracker, for all purchase orders and reimbursement requests with a goal to streamline the current workflow and increase communication.

All purchase requests and reimbursement forms will be emailed to: [purchase@rt.stemcell.uci.edu](mailto:purchase@rt.stemcell.uci.edu)

For more information please visit the SCRC Purchasing webpage:

<https://stemcell.uci.edu/Resources/Purchasing/index.php>

**Request Tracker (RT) instructions**

**SOURCE SELECTION & PRICE REASONABILITY JUSTIFICATION FORM (SSPR)**

**(SSPR form) – This form is required for all federally funded purchases greater or equal to \$10,000 (including tax and shipping), to substantiate the appropriateness of source selection and price reasonability.**

Its purpose is to outline the rationale behind making a purchase from a single or sole source supplier, rather than through a competitive bidding or sourcing process. This showcases that our organization is committed to fair competition and has a valid reason for deviating from standard competitive bidding processes.

**To locate the form, visit this link:**

# SCRC Building Information

We have outlined some areas that you should be familiar with within our center.

## SCRC Core Staff

Here is a full list of the [SCRC Core Staff](#) and core lab managers listed below.

Christina Tu-Stem Cell Techniques Course Manager [htu@uci.edu](mailto:htu@uci.edu)

Vanessa Scarfone-Flow Cytometry Core Manager [vanessa.s@uci.edu](mailto:vanessa.s@uci.edu)

Allia Fawaz-Imaging Core Manager and Building Manager [fawaza@uci.edu](mailto:fawaza@uci.edu)

Anita Lakatos-CRISPR Core Manager [scrc-crispr@uci.edu](mailto:scrc-crispr@uci.edu)

## Equipment and Conference Room Reservations

### Equipment

Here's a list of the [shared equipment and other resources](#) that the SCRC has to offer!

Shared equipment is reserved via iLab. Please register for iLab at the [following site](#).

Log in with your UCI credentials and choose your PI. If you receive any errors please send a screenshot of the error to [fawaza@uci.edu](mailto:fawaza@uci.edu). If your PI is not listed, please email your PI's first and last name and email address to [fawaza@uci.edu](mailto:fawaza@uci.edu) so that they may be added.

Once you have been trained on the equipment, you will receive access to reserve the equipment via iLab. All equipment also has paper sign-in sheets. A sign-in sheet is for signing-in once you begin using the equipment and is not a reservation.

If you have reserved the equipment but a user is using the equipment during your scheduled time that has not reserved, you have priority to use the equipment and can ask them to leave; let them know to reserve on iLab at a later time.

### Conference rooms

If you would like to reserve a conference room, you may do so for rooms 2005, 2034, 3001, and 3034 via iLab. They can also be reserved at the tablet kiosks outside each conference room. Directions for reserving on the kiosks are found next to the kiosks.

The Thorpe conference center on the 4<sup>th</sup> floor (4000) and the 4th fl boardroom (4002) are reserved through Kristina at [kzyan@hs.uci.edu](mailto:kzyan@hs.uci.edu).

Conference room rules are to:

1. Only reserve time you plan to use
2. Dispose of trash and push in chairs
3. Put spare food/drinks/utensils etc. from meetings in the break rooms with a note that says it is for anyone
4. Keep door unlocked when leaving (if the room is locked, there is a key on Allia's desk by room 2102, please sign-in on the sign in sheet)
5. Let Allia know if the projector lamp requires replacing (if dim) at [fawaza@uci.edu](mailto:fawaza@uci.edu)

#### Equipment Rules

For all shared equipment, you must:

1. Be trained by the Core Facility Staff
2. Schedule your time via iLab
3. Sign in on the sign-in sheet
4. Keep the area cleaner than you found it
5. Save your files to an external device (USB). Files should not only be stored on shared computers. Old data will be removed periodically to allow additional space without notice. Do not save data on the computer desktop.

For your safety, please pay attention to all signs surrounding equipment. Some equipment have a gloves on policy when using computers for the equipment while others have a gloves off policy. All door handles and elevator buttons have a gloves off policy.

If equipment is not functioning properly or you need assistance, please contact Allia or Vanessa via email. Also let us know if we are out of stock on necessary items for the shared equipment (such as ethanol, kim wipes, lens paper, and cotton swab cleaning tips for the microscopes).

#### Recharge Equipment

Most equipment is free to use with the exception of high-end instrumentation such as flow cytometers and cell sorters, confocal microscopes, CYTOF instruments (Helios and Hyperion). Current recharge rates

are listed at [https://www.accounting.uci.edu/cost-analysis/\\_files/uci-current-approved-recharge-rates.pdf](https://www.accounting.uci.edu/cost-analysis/_files/uci-current-approved-recharge-rates.pdf).

## Building Access

If you require a keycard to be activated, please email the 5 or 6 digit number on your keycard and your PI's approval to [fawaza@uci.edu](mailto:fawaza@uci.edu). If your lab does not have a spare keycard to activate, please send your lab's KFS account and project code with your PI's approval to purchase one.

Lost or stolen keys/keycards should be reported to both the PI/lab manager and [fawaza@uci.edu](mailto:fawaza@uci.edu) immediately.

Additionally, one should NOT grant access to the building (e.g., by holding a door to the building open) to anyone without a keycard unless they are known to you. Also, doors to the building should NOT be propped open to allow access.

If you see an individual in the building that you do not recognize, asking whether they need assistance is a great opener. This includes any sales representatives that do not have an appointment for any specific lab. You may kindly refer them to [fawaza@uci.edu](mailto:fawaza@uci.edu) to set up a vendor show.

If you are concerned about an individual, please feel free to contact [fawaza@uci.edu](mailto:fawaza@uci.edu) or any of the SCRC staff. In the evenings/weekends, as for anywhere on campus, the UCIPD will respond as necessary if there is an identified concern regarding legitimate access. Just so you are aware, this building is under constant surveillance which is monitored when needed.

Once you terminate your position with the center, please let Allia know and she will deactivate your keycard and remove you from the mailing list. I keep an updated contact list of all lab members to communicate about important equipment and building related matters.

12. Clean out fridge every Friday

#### Printer/Copier Access

We have a shared printer/copier on the second floor by the break room. The new copier is now available to use, you may need to download a new driver. It's a Xerox AltaLink C8270. IPv4 Address: 128.200.250.179

For PC computers there's an option when you go to control panel-add printer/devices, add a printer, click "the printer I want isn't listed" if it does not show up and select IP address, and enter the IP address above.

Aside from printing and copying, features also include emailing documents, faxing, and saving to your USB. If the printer is out of paper or toner, please let Allia know at [fawaza@uci.edu](mailto:fawaza@uci.edu). The printer is NOT for personal use, it is only for printing items related to your research; do NOT print items for your courses. Please print in black/white when possible.

#### Building Maintenance

If you notice any building maintenance that needs to be reported such as broken paper towel dispensers, lights that need to be replaced, doors not shutting correctly, uncomfortable temperatures that require adjustment, etc., please call facilities directly (949-824-5444 or extension 4-5444) or email them at [fm-servicedesk@uci.edu](mailto:fm-servicedesk@uci.edu).

#### Internet Access

If you need access to internet, your lab can submit a request to OIT [here](#). Follow directions under manual registration and enter in your computer's MAC address. For any issues, contact HS OIT (extension 4-3434).

#### Hazardous Waste and Trash/Recyclables

Hazardous waste pick-up can be submitted via text by following [this set of instructions](#). Please be mindful to place trash in the trashcan and recyclables in the recycling bin. Flatten all cardboard boxes and place directly behind the recycling bins for pick-up on the 1<sup>st</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> floors, or on the table in the middle hallway of the 2<sup>nd</sup> floor.

#### Cold Rooms

The SCRC has two shared 4°C cold rooms on each floor for floors 1-3 and one on the 4<sup>th</sup> floor. Cold room guidelines are to:

1. Store items on lab's labeled racks only

2. Label lab's items with lab name

3. Make sure no mold is growing

4. Keep room clean and tidy
5. Turn light off when leaving the room
6. Shut the door behind you when both enter and leave the room
7. Do NOT keep items in cardboard boxes in room (they harbor mold)
